STUDIO POLICIES – Group Piano Classes

REGISTRATION FEE

The Registration Fee is \$30.00 per Student, \$50.00 per Family.

TUITION PAYMENT

Tuition Payments are to be made in 10 monthly installments, beginning with the First lesson in September. This is a payment plan and you are paying for the total number of lessons in the year, not the total number of lessons in a month.

Most piano courses offered at the Studio are 34 -37 lessons. Piano classes generally follow the school year. Classes generally begin in September & end in May or June. NEW CLASSES may begin during the first week of any month if space is available.

PIANO CLASS INFORMATION

Piano classes are small. Each student has the use of an electronic Digital piano. Pianos can play “silently” or “aloud” for group ensemble playing. Students will also enjoy Game Time, a wonderful way to teach & reinforce theory skills! Piano classes are 45 minutes long. Piano classes prove that children enjoy learning in a fun, relaxed atmosphere. Friendships develop, and the joy of sharing music is experienced. Students are grouped according to AGE and ABILITY. Parents may attend class recitals.

MUSIC

Students studying MENEHUNE MUSIC, & LEVELS I through VII are taught a stimulating, thorough, and graduated course written during the past twenty five years by MAYRON COLE. This piano method is now marketed nationally & is this country's **leading** group piano method! Each level (except MENEHUNE) has approximately 200 pages of original music, recital solos, practice sheets, rhythm exercises, theory fun sheets, music history, & favorite classics. **The cost of each level's music is added to your bill when issued. Bonus or seasonal music is also extra and will be added to your bill when issued.**

MISSED LESSONS

Missed lessons can be made up at the end of the course, in June (No More than Two per year). With regards to Hurricane closings, one make-up will be allowed per season.

PRACTICING

ALL STUDENTS ARE REQUIRED TO PLAY THE WEEK'S ASSIGNMENT A MINIMUM OF TWICE A DAY UNTIL THE NEXT LESSON. It is important for parents to monitor practice times and to support your children's music studies by listening to their lessons at least several times a week.

STUDENT CONDUCT

Students are expected to have a POSITIVE ATTITUDE, and come to their lesson prepared and ready to learn. The student must have their Lesson Book and any other assigned material with them at each lesson.
