STUDIO POLICIES

Registration and Tuition Fees: Registration is \$30.00 per student, \$50.00 per family. The registration fee is applied towards computer programs, theory supplies, office supplies, instrument maintenance, facility maintenance and special events (like the annual children's classical concert we sponsor at the Lighthouse Center for the Arts).

Tuition payments are to be made in 10 monthly installments (beginning at the first lesson in August, and due the first lesson of each month). This is a payment plan and you are paying for the total number of lessons in the year, not the total number of lessons in a month.

Practice: Successful musical study requires a three-way partnership between teacher, student and parents. It is important for parents to monitor practice times and to support your children's music studies by listening to their lessons **at least** several times each week.

Missed Lessons: Missed lessons will be made up at the teacher's discretion depending on time available (no more than two per year, 24 hour notice required). Lesson cancelled by teacher will be rescheduled. With regards to hurricane closings, we will allow for only one make-up per season.

Student Conduct: Students are expected to come to their lesson prepared and ready to learn. The student's assignment book and all books currently in use should be brought to the lesson.

PLEASE: NO FOOD, DRINKS, CANDY OR GUM in the studio.
